

# Call for funding - Training - ITP#103

Submitted by [tmascart](#) on Mon, 2017-12-04 16:04

---

**Main EMBRIC organiser:**

Universiteit Gent

---

**EMBRIC co-organiser:**

Université Pierre et Marie Curie

---

**Associated EMBRIC WPs:**

WP9 - Training and exchange of best practice

WP7 - Microalgae for blue biotechnological applications

---

**Associated RIs:**

EU-OPENSREEN

EMBRC

---

**Non-EMBRIC co-organiser: Associated external organisations:**

Interesting Marine Biotech SME

---

**Title:**

Example title: Workshop for the next generation of blue biotech workforce

---

**Start/End:**

Thursday, February 1, 2018 - 12:00 to Friday, February 2, 2018 - 18:00

---

**Category:**

Novel technical enhancements for generating marine derived products

Innovation dynamics, technology transfer (TT) and value creation in blue biotechnology

---

**Venue Address:**

Venue address

XXXC Venue City

Belgium

---

**Training purpose and content:**

Description related to the content of the training (max 300 words)

---

**Added value for the EMBRIC consortium:**

Explanation how this fits within the wide domain of EMBRIC or within the framework of separate research infrastructures (max 300 words)

---

**Summary budget table**

Catering (coffee, lunch,...)	
Other	
Overnight	
Training material	
Travel	
Venue	

**Detailed budget table**

Venue	e.g. price of renting the venue place
